I. (26~28)

Hi, Maggie,

2023 is coming in six days, and January 1, 2023 is on Sunday. Everyone in my family is very excited and is waiting for the day's coming.

After Covid-19 from 2020 to 2022, many people are expecting the "final countdown" and firework displays in the city. But for our family members, we are ready for camping on Mount Taiping.

There, we can meet the first light of 2023 and make a wish for everyone in our family and our country to be happy and healthy. We can also see a lot of giant woods, "Hinoki." Their ages are over tens of thousands of years. Mount Taiping is a giant wood group in Taiwan. Amazing, right? There are a lot of animals in the mountains. My favorite bird is the Blue-bellied Pheasant. It's so beautiful to me.

I'm happy you can come and camp with us this time. I can't wait to see you on Friday. We can have a great time for sure.
