1.

(In Van Gogh Museum.)

Mike: Look, Wendy! These paintings are all by Vincent Van Gogh, a great Dutch post-Impressionist painter. He was born on March 30, 1853, in Netherlands.

Wendy: Wow, you know well about him. The paintings are amazing. Which do you like, Mike?

Mike: My favorite is Caf'e Terrace at Night. It's joyful and colorful. How about you?

Wendy: Caf'e Terrace at Night and The Starry Night are nice, but Vase with Fifteen Sunflowers is my favorite. It's so beautiful, and I like its strong colors.

Mike: Look at these ones. The Red Vineyard is an oil painting. He created it in Nov. 1888, and it is the only painting he sold during his lifetime. He is not famous at that time. After Van Gogh cut his ear, he has some self-portraits with wounds like: Self-Portrait with Bandaged Ear.

Wendy: How interesting!

Mike: And this one, Wheat field with Crows, after painting it, Van Gogh shot himself on July 29, 1890.

Wendy: Poor him!
