Racism is in many places in the world. People do not like someone because he or she has a different skin color. Sometimes racism can make a person die. Let's see what happened in the US this year. Police in Minneapolis stopped a black man. The man was on the ground. One officer put his knee on the man's neck. And the man said that he could not breathe, but the officer put his knee on the man's neck for about eight minutes. The man stopped talking. Later doctors said the man was dead. It's really bad. A man was dead because his color is different.
