Your Quiet Friend

Dear friends,

I'm your good friend. I'm quiet, but I can help you with many things. You can get fish from me. You can swim in me. You can take a walk along me and enjoy the beautiful scenery. I was clean and happy before. There were many fish in me then. But you might not like me now.

Now, I am dirty and smelly. There are only few fish in me. In fact, there is lots of trash in or near me. I need your help. I don't like trash. Please don't throw trash in me. And please clean it up for me. Thanks a lot.

Many people have pet dogs and pet cats, but about 37% of them give up their pets because they don't want sick or old pets. About 7.6 million cats and dogs go to animal shelters around the world every year. Because there are too many cats and dogs, people at the animal shelters must put some of them to death. This terrible thing is happening everywhere. Guess what? Over two million cats and dogs lost their lives in animal shelters only in the US in 2019. Let's take action and help these animals!

First, never buy an animal from a pet shop. Adopt a cat or a dog from an animal shelter. Second, never give an animal as a gift. Nobody should have a pet unless they are ready. Last but not least, never give up your cats or dogs just because they are sick or old. Look after them and care for them until the last moment of their lives.
