(C) 閱讀測驗 (10%)：每題兩分。

(a)

Once upon a time there lived a lovely girl, Kelly, and her white young cat, Snowball. He had big blue eyes and loved to play in gardens. One sunny morning, Kelly and Snowball went for a walk in a village. They saw colorful houses and good neighbors. Snowball chased butterflies, and Kelly smiled. Then they found a big tree with bright red apples. Kelly wanted to get some for a snack. She put Snowball down and said, "Wait here, Snowball. I'll be back!" She climbed the tree for apples. While she was picking apples, Snowball saw a butterfly and chased it into the forest.

When Kelly was finished, she looked around but did not see Snowball. She called, "Snowball! Snowball! Where are you?" She looked everywhere but could not find him. Kelly was worried and sad. She needed to ask for help. She saw three villagers: Peter Parker, Tony Stark, and Steve Rogers. Each of them had something that could help her find Snowball.

 village 村莊 neighbor 鄰居 chase 追逐 while 當...的時候 pick 採摘 forest 森林

1. Why did Kelly put Snowball down when they found the big tree with bright red apples?
