Happy Summer Hotel

100 people reviewed this hotel.
The hotel is...

Ken (from the USA)

I stayed at Happy Summer Hotel in Taipei last month. The breakfast was good. They provided American and Japanese food. Although the food was not cheap, I loved it a lot. However, there was not a swimming pool. Because I enjoy swimming every day, I don't think I will choose the hotel again.

Ben (from Japan)

It was a large hotel with two department stores and many famous restaurants. I stayed at the hotel for 3 days. I bought many things and ate lots of yummy food. Besides, they had a nice night club and parties every Friday and Saturday. I loved the parties a lot.

Amy (from India)

I stayed at the hotel for 2 days with my husband and two kids. The room was very clean and big. Our room had four beds. There was a big parking lot. It was great for us to park. However, my kids didn't like the hotel very much. They didn't have a children's playroom. Although they had two department stores, my sons liked to play with other kids in the playroom more.

Willy's Diary

Winter was a cute dog. He was my best friend. When I was seven years old, my father bought it in the pet store. We ate, played, and slept together. He was always with me when my parents were busy working. I loved him so much. However, I made a serious mistake. Winter enjoyed eating food, so I fed him a lot to make him happy. Then, he became too fat and got sick. Vets couldn't save him, so he died six months ago. I felt so sad and cried for a month.

Now I have another lovely dog, Spring. She is my birthday gift from my grandfather. She also eats a lot. This time, I take good care of her. I don't give her junk food but only three meals a day. I also take her to exercise when I have free time. We will be together for a long time. Of course, I will never forget Winter. He will always be in my mind.
