"Was he my junior high school classmate?" The question came to her mind. However, she remembered the name very well because he was very handsome. When she thought of him, she was very nervous. She went to the bathroom quickly to check her face and her hair. Ten minutes later, she walked into the dentist's office and looked at him for five minutes. After he checked her teeth, she said, "Did you graduate from Lujian Junior High School?" He said, "Yes." Then, he asked, "Were you my Chinese teacher?" She just smiled at him without saying anything, but she was sure she was his classmate, not his Chinese teacher.
